## **About Wilmington Healthcare**

Wilmington Healthcare brings together the well-established healthcare insight and networking capabilities of Binley's, NHiS, Wellards and HSJ to create an unrivalled healthcare data, education and information resource with outstanding analytics capability to help you better understand and deal with your challenges.

## **About HSJ Regional Networks**

Recently rebranded to fall under the established and respected HSJ events portfolio, the Networks series are free to attend meetings for NHS and associated healthcare professionals. Aligned to the development of integrated care systems, they provide a unique networking and learning environment across the health economy. Involving a broad reach of stakeholders, the meetings enable delegates to hear from specialist speakers and to address local challenges and priorities, which will help support better working arrangements and service change
